Dear Colleague,

We are pleased to invite all local dentists to our free 2 hour CPD evening lecture on:

“The restorative protocol for Ankylos Implants”.

Objectives:

To improve knowledge of Ankylos Implants. To learn how to take impressions and how to fit a simple restoration. Information on custom made crowns/staining with Chris Woods at Kreations laboratory. To gain insight into the restorative options for Ankylos implants and how to start with implant patients. To gain insight into interdisciplinary surgical- restorative- orthodontic-perio care. The referral procedure to the Sandford.

- ✓ To improve knowledge that will allow GDP's to access implant patients' needs
- ✓ To provide the knowledge that will allow GDP's to identify cases that require implant treatment after tooth loss and to help to plan the treatment and fit final restorations
- ✓ To form an understanding of the process of treatment and the referral protocol
- ✓ To give an outline of multidisciplinary treatment planning
- ✓ Practitioner case group discussion
- ✓ Feedback and CPD and receive your free goody bag

If you wish to attend please contact our treatment co-ordinator **Lucie Bache** to register on: **0208 303 7051** or e-mail to info@thesandford.com. Please let us know if you plan to bring a case for discussion.
